JUNE 2012

Christ Presbyterian Church

Even the small, innocuous things can be deceptive, like the way we print “9:30am Worship” on the church calendar. One could not be faulted for thinking this means worship begins at that time and ends approximately one hour later—is this not how it typically goes? Neither could one be blamed for thinking worship happens in a sanctuary—is that where we usually gather to praise God?

Then why is it that at the end of the Gospel of Matthew, when he disciples “saw Jesus and worshiped him,” they weren’t in Temple or synagogue but on a mountain? And curious how the psalmist would have us “bless the Lord at all times” with “praise...continually in [the] mouth?”—such praise doesn’t seem to have set starting or ending times.

Poet Mary Oliver says,

My work is loving the world
Here the sunflowers, there the hummingbird—
equal seekers of sweetness.
Here the quickening yeast; there the blue plums.
Here the clam deep in the specked sand.

Are my boots old? Is my coat torn?
Am I no longer young, and still not half-perfect? Let me
keep my mind on what matters,
which is my work,
which is mostly standing still and learning to be
astonished...

Are astonishment and worship close to the same thing? If sunflowers, hummingbird and quickening yeast are enough to incite amazement—how for the God-sensitive they are!—then worship must be less about time and place than perspective and orientation. “Let me keep my mind on what matters.”

This summer we will worship outdoors in the Pavilion a blessed three times (weather permitting!). The first of these services is **June 24**. The next two will be **July 29** and **August 26**. The service will still start at **9:30am**, but the location will be the theater of the Creator’s glory. The breeze and sticky heat, the bird songs and distant children’s voices won’t be distractions, but calls to worship.

If God calls us to worship from outdoor pavilions, I wonder where God isn’t calling us to worship?

A blessed summer to you all,

Mary Oliver, “Messenger,” from *Thirst*, (Boston: Beacon, 2006), 1.

The Session has called a
Congregational Meeting

10:30 a.m., Sunday, June 10
for the purpose of
considering adjustments
to Pastor Reeves' terms of call.

All members are encouraged
to attend.

that you also may have fellowship with us.
And our fellowship is with the Father and with his Son,
Jesus Christ. 1 John 1: 3*

May 19th was the date of our last Fellowship Event, we held a Progressive Dinner, which was enjoyed by all who attended. We began the dinner at CPC with appetizers and moved on to Beth & Dushan Boucek's home for salads. From there we travelled to the home of Charlotte & Bill Wood for the main dish and then Liz & Mac McArthur's for dessert. The Fellowship Committee would like to extend a heartfelt thank you to our host homes!! We had over 40 people attend this event and the graciousness of our hosts was outstanding. Thank you to everyone who provided a dish for the Progressive Dinner as well, the food was fabulous!

JUNE 1ST CAPTAIN'S GAME: As of May 22nd we have 32 tickets sold. This has always been a popular evening out and we thank Bill Gripp for his leadership in planning this event.

JULY 29TH CPC'S ANNUAL CHURCH PICNIC / GOLF OUTING. We are currently in the planning stages for this event. Please keep an eye out for future announcements in the weekly bulletin and Chimes newsletter. If you are interested in helping us plan the picnic we would love to have your input.

Notes from Session

The Session began its May 15 meeting with worship in the sanctuary, led by Matt. Matt offered thoughts on his appreciation of Ascension Day, the day that remembers the risen Christ ascending to heaven and promising his followers the gift of the Holy Spirit

Frank Lyon reported that the Sunday Morning Study Group committee had received about ten responses to their survey and would run it two more Sundays.

The best part of the night came when the Session took up the covenant the congregation made with Pastor Matt when they voted for him as pastor and Matt accepted the call. Part of that covenant said the congregation would evaluate his terms of call six months into his ministry to determine whether the church's finances would allow for their adjustment. By unanimous vote the Session confirmed our faith and confidence in Matt and will make a recommendation to the congregation for their vote after worship on June 10, 2012.

We are looking into having trained Elders or others stay after the service to speak to those who need prayer or conversation. This is something we used to do and desire to bring back.

Your Clerk of session
Chuck Scott

Thank You!

Thank you! Thank you! Knight and I extend our gratitude to the CPC family. Tuesday mornings we think of the prayer group, so faithful and powerful on behalf of so many, including the Washburn family. Last month we were both moved, and strengthened, by your loving support with visits, cards, phone calls to Meredith while she was at Hillcrest Hospital. (She has "moms" in my absence!) I'm happy to report she is home now, benefitting from physical therapy; a very lucky, and thankful, lady. It was so good to see many of you the few days I was in the Cleveland area, and especially good to worship with you on Sunday morning. We're thankful for you that you have such a fine pastor in Matt, and a young family enjoying life in the manse. Blessings on you all.

-Mary Jane Washburn

News from Deacons

The Deacons met on May 7th with Joy Kule leading us with devotions from The Daily Bread and Jim opening in prayer. Pastor Matt spoke about a committee being formed which will evaluate our Sunday mornings. They will be considering ways to enhance Sunday morning worship as well as Fellowship and Adult Education. A questionnaire has been included in our Sunday bulletin for all members and friends to fill out.

The Deacons are considering the following:

- New signs directing drivers to our handicapped parking spaces, so those not familiar with our church will be better informed regarding parking.
- A new coffee pot, so those of you who prefer decaf will now have brewed coffee.
- A new location for the coffee pot. This will enable folks to get through the line quicker.

Beth Boucek sent birthday and graduation cards to our college students along with planning for Vacation Bible School. All Easter flowers were sold, and more were sent to our Shut-Ins.

The Outreach committee purchased food, gas cards and Easter gifts for the family we are currently helping. We received a thank you note from them. A motion was made and passed to continue helping them. Eleven men from our church helped them with yard work as well. The men really enjoyed the day. CPC's generosity was once again evident by the large quantities of clothing donated to the City Mission and Glenville Presbyterian Church, for their Mother's Day sale.

Cyndie Tropf informed us that we need more folks to help with ushering for weekday services such as memorial services, funerals, weddings etc. Please consider helping with this if you are available.

SUMMER SUNDAY SCHOOL STARTS JUNE 10

Preschool-1st Grade

Ready for a daily dose of Good News? Join us this summer! *Fishin' on a Mission with Jesus* features a series of Bible lessons that will help our Pre-Schoolers through First Graders get to know Jesus and His message.

The theme verse for *Fishin' on a Mission with Jesus* is, "Follow me, and I will make you fishers of men." *Matthew 4:19*. Each Sunday, your children will learn additional verses that teach important lessons about how to grow in their faith and witness to others about Jesus. From the Book of Acts they will learn life applications such as: witnessing through prayer, witnessing through praise, witnessing with believers and witnessing in faith.

The worship committee has once again decided to hold our Sunday morning worship outdoors in our pavilion three times during the summer months. The dates for outdoor worship are June 24, July 29, and August 26. In the event of rain or extreme heat, worship will be held in our sanctuary as normal.

As we plan for these services, worship committee wants to assure the CPC family that your comfort and accessibility have been included in our planning. We will have shaded seating in and around our pavilion, plenty of ice water, and valet parking. (We will put in for a gentle breeze as well.) Please take advantage of the valet parking that will be available. You may drive up the manse drive, get out at the pavilion, and an attendee will park your car for you and retrieve it when the service has ended.

For those who love to feel the sun on the back of their neck, we will set you a seat in our earthbound shade-free section. The picnic tables and benches will be spread about and available to use. Or, if you prefer, bring a blanket and sit on the grass.

Please consider inviting friends to this unique worship experience. Any of these dates would be a great opportunity for friends and visitors to experience the blessing that is the church of Jesus Christ, and the love and joy of Christ that is so bountiful here at CPC. If you have any particular concerns that would discourage you from coming, please speak with Greg McCandless, Jim Hart, or Pastor Reeves, and we will do all we can to meet your needs. We look forward to worshipping together as God's children in the spontaneity and beauty of His creation. **-Greg McCandless**

JOIN US JUNE 3RD FOR A MINISTRY CELEBRATION!

At our 9:30am Worship Service, we will celebrate all children, youth, adult and music ministries. After the service, we invite you to stay for a light breakfast to honor these volunteers.

THE MIDDLE SCHOOL YOUTH GROUP

Wrapped up the end of the school year with glow bowling at Ernst Lanes in Chardon. Each Sunday night, 5 – 8 of our youth along with friends met to socialize, participate in Bible lessons, enjoy snacks and end the night with a game of sardines. One of the first items on business was to create a covenant for this year's youth. Carson McCandless & Emma Fischer presented this covenant to the Session. During meetings in April, members of Christ Church came in to give their testimonials to our youth. A special trip to Breckenridge was made to meet with Betty Gray & Winnie Martinson. Other events this past year included a lock-in with a breakfast served by some men in our church, laser tag, Christian band concerts and a river walk with Rob Russell & Linda Russell.

Although the youth will not be meeting weekly over the summer, special events will include training and volunteering for VBS, participating in the 4th of July parade and a day at Pioneer Waterland.

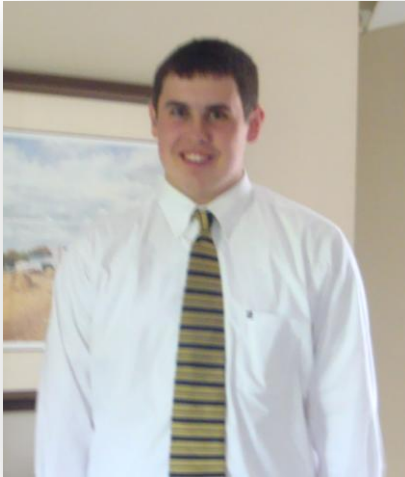

Big thanks to Rob and Lindsay Russell for all they gave to youth ministry this year!

CHRIST CHURCH 2012 HIGH SCHOOL SENIORS

Cale Zimmermann

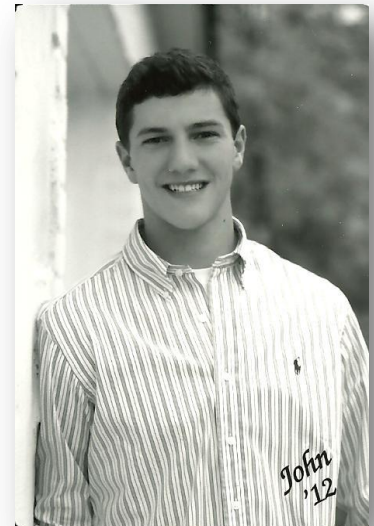

Cale graduated from Chardon High School. While there he participated in football for 3 years, was in Interact for 2, helped out in the guidance department all 4 years, read to 1st graders senior year, and also wrote for the school newspaper. Presently undecided on a major, he will attend Bowling Green State University in the fall.

"With my faith in Christ I have been able to stay strong and keep going throughout high school. He has been there every step of the way. God will be there every step of the way again as I start a new chapter of my life. With the strength of God I'll be able to succeed at anything I try."

John Martillotta

John is a Graduate of Chardon High School. While there, he played varsity baseball, basketball, and golf. He was involved in Chardon's Fellowship of Christian Athletes, Student Council, Interact, National Honor Society, and Service Days at Highbrook Lodge. He will attend the University of Toledo to major in mechanical engineering with a minor in entrepreneurship. He will also play baseball there and pursue his dream of playing baseball professionally. *Phil 4:13.*

"My faith in Christ had grown throughout my high school years. I'm much more open about it than I used to be. My faith had allowed me to attempt to be the best role model and person in general I could be throughout my high school career. Being a disciplined Christian has helped my whole life develop and had helped me realize the power of the word. Faith in Christ simply means allowing God to continue to work through me however he plans to do so. All I have to do is trust him and he'll guide me to where I should be going."

Audrey Martillotta

Audrey is a 2012 graduate of Chardon High School. Throughout high school, she was involved in Student Council, National Honor Society, Interact, Prom Committee, Fellowship of Christian Athletes, and JV and Varsity Tennis. She worked at a law firm during her junior and senior year (Thrasher, Dinsmore, & Dolan) and Alpine Valley Ski Resort as a rental barn associate. She will attend The Ohio State University in the fall and plans to major in business.

"My faith in Christ has grown immensely throughout my high school years. I have gotten so much closer to God and go to Him for just about everything now. I pray much more often now than I ever did before, and know that I can trust that the Lord has something good planned for me. Faith in Christ means trusting in the Lord and knowing that He has a plan for me. I should be patient and let the Lord work in His ways to make me into the person I am meant to be".

Jared Lyon

Jared graduated from Kirtland High School, where he was on the varsity soccer team all four years. He also played on the varsity football team, helping them win the 2011 State Championship. He will attend the University of Findlay in the fall, majoring in physical therapy and playing soccer for them.

"My faith in Christ has led me to put all my trust in him and to not fret the small things. As I look to the future I know that whatever happens, happens for a reason and God will work it out for me to be the person HE wants me to be".

Stacey Everhart (not pictured)

Stacey graduated from West Geauga High School in Chesterland. She participated in The Kiwanis Key club, Latin club and 13 years of girl-scouting. She was also involved with the spring musical for two years. She plans to study Biology at Ohio State this fall.

Brittain Elswick

Brittain graduated from Chardon High School. She was involved in band, National Honor Society, Powder Puff, and was a class officer, among other things. She will attend The Ohio State University where she will major in Archaeology and Historical Linguistics.

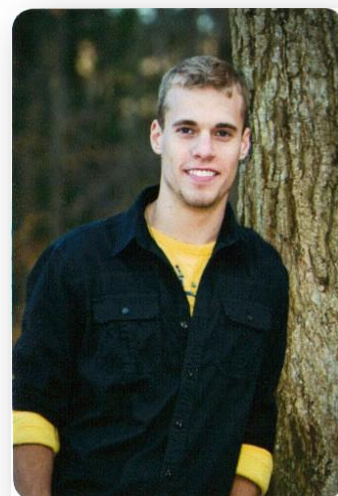

"God has influenced my high school years by presenting opportunities for helping others, giving me a sense of right and wrong, and helping me to connect with various people on a more personal level. As for the future, I think that God will be an ever-guiding presence in my life. It is a comfort knowing, that one day, God will welcome me with open arms into his kingdom of joyous eternity".

Stephen Douglas

Stephen is a graduate of Chardon High School. He played 3 years on the CHS varsity football team and 2 years on the baseball team, and is currently working on his green belt in Taekwondo. In High School, he was in Student Council and was in the Freshmen Mentoring Program. He is currently working at Quail Hollow Country Club. He will attend the University of Cincinnati in the DAAP Program for Architecture.

"I feel so close to Christ. My faith in Him has helped me through both the good and bad times. I have no clue where I'd be right now if I didn't have him in my life. Being a part of church is important to me. My faith is strong. I know I need Christ in my heart throughout college and my life."

LOCAL MISSION

Doug Orosz is a co-worker of our own Shelley Brown. He works as a Geauga County Deputy. Doug owns a large truck that he takes to disaster areas throughout the Midwest, loaded with supplies for these areas. He does this on his own without taking time from his full-time job as a Deputy and a Middlefield business owner. Shelley has assured us that he could use items to take with him. I talked to Doug and Gina who travel together to deliver these supplies to the disaster areas. Some of the items that they could use are:

- Hygiene supplies: toothbrushes, toothpaste, hair brushes, combs, deodorant
- Cleaning supplies: bleach, detergents, gloves, buckets, mops
- Paper supplies: diapers, tissues, toilet paper, paper towels, large plastic bags
- Gas cards to help fuel the truck. (Most truck stops take all gas cards.)

There will be a collection place in the Fellowship Hall for designating the items to help with this local mission.

Thank you for your consideration,

-Carol Hong

HUMOROUS STORIES FROM THE PEW *By Cyndie Tropf*

A few weeks ago I had the pleasure of listening to Ruth Scharlotte tell me something funny that happened to her while serving communion a number of years ago. I told her I too had a funny thing happen to me while serving communion. It got me thinking...my family and Ruth surely are not the only ones to have experienced some funny events while at church or while with our church family. Now, you are probably wondering what funny things happened to Ruth, and to me. Well, I'll tell you my story, but Ruth's will have to come from her later in this column, or you'll just have to ask her! Any of you who have had the privilege of serving communion know that with great precision and unison the servers walk down the aisles and sit simultaneously on the front pew. Everyone can see the six servers all sitting in reverence waiting to rise together. When Rev. Herbert was our pastor, I was to serve communion. I dressed in my best tweed suit and wore my cherished charm bracelet with about 100 charms hanging from it. I placed my hands in my lap after sitting and when it was time to rise in unison I couldn't remove my right hand from my lap as my "Redwood Tree" charm from the Sequoia National Forrest was caught on my tweed skirt! Trying to refrain from laughing too hard, my fellow female elder and friend offered her assistance, but neither of us could remove the Redwood Tree charm from my skirt! Therefore, I had to stay seated while the other five elders rose and left to serve communion without me! I was very embarrassed knowing everyone saw me sitting there by myself. Now I am asking all of you to submit your stories to me for a monthly article in Chimes. Don't be shy. I don't have to use your name if you'd prefer, just give me your story. I loved hearing Ruth's story and hopefully you enjoyed mine, let me hear yours too.

MEN'S FELLOWSHIP OUTREACH

I guess I have to start back on a Monday night in February to be exact. I was the session representative to the Deacon's meeting and the Deacon's had a special guest from the

Geauga Family services- the volunteer coordinator (Sara Shiningar). She went on to explain just how she knew of families with needs and tries to find volunteers to help them. Well that night I think not only did it bring back old ideas of outreach that we had thought about in the past but it brought up new opportunities of outreach and fellowship for the men of the church. Jim Kule contacted Sara in April and told her that we would like to possibly do something on a monthly basis but as a group not just the lone volunteer for a specific task.

That brings us to, the damp and what started out as a dreary day, April 21st a Saturday Morning. But this wasn't just any Saturday morning; we had a dozen volunteers with coffee in hand, landscaping tools, power washer, wheel barrels and such. Our mission "that we had chosen to accept" (or possibly God picked for us?) was to be an elderly lady's home off of route 44 near Punderson. We arrived to a spry older lady who welcomed us with more coffee and later on donuts from Middlefield.

We proceeded to clean up her yard for her, power washed the whole house, removed and painted her shutters and just over all glorified the landscape. I am not sure who was more pleased, the lady whose house we helped fix up or the men who did the "fixing". I think I got more out of using my God given talents for these small tasks than what little we really did to beautify the landscape and home of this elderly lady.

And last but not least, those of us who were able went out to lunch in Burton. That's where we savored what had just happened that morning. Oh yes and we were hungry too! We hope to continue with this outreach, so please stay tuned for our next adventure.

Just one of God's helping hands that morning;

-Frank Lyon

Dear Church Family,
We are so grateful for the kindness you have shown us during this difficult time. Grief is pervasive and tenacious, but the outpouring of your love and concern for us has modified our anguish. The numerous cards, phone calls, emails, visits, gifts of food and flowers, the prayer shawl, the special occasion celebrations you gave us and the endless prayers offered on our behalf, have all comforted and sustained us.
(Matthew 25:40)

Thank you. God Bless You,
Clyde Family
