## CPC Golfers

We have had a great relationship with Berkshire Hills Country Club, on Mayfield Road. We are, once again, playing there on Monday afternoons. Our tee times run from 4:00-4:45pm. As in the past, come whenever you can get there. If you come early, you can get in some putting and driving range practice. There are no other leagues in front of us, so if you want to get a group off early, great!

# The Spielmans

**Margaret & Kent**

**and their children, Jonathan and Libbie**

My parents moved to Chagrin Falls when I was in college - around 1976 or 77, something like that, so that is where I go when I go "home."

After New Caledonia, we went to Fuller in Pasadena, and got Masters Degrees in Intercultural Studies / Bible translation.

For the past 13 years, we've been working at the International Headquarters just south of Dallas, Texas. And that's what all our prayer letters have been about lately!

We are also in a time of transition - we have had a difficult few months. We're praying that the Lord will guide us clearly into our next areas of ministry, and that he will provide. We'll be officially sending more about that soon.

In the meantime, Jonathan is graduating from Texas A&M this weekend with his Bachelor's Degree in Environmental Design, in the school of architecture. He wants to take a break from school, find a job and pay off loans, and get some work experience. Pray that he find a job. Libbie is successfully completing her freshman year with straight A's this semester at Southern Methodist University, double majoring in clarinet performance and music composition.

I'm consulting with folks as they plan workshops to train trainers here in Dallas, and for the first time in Mexico in Spanish. I am also consulting with someone working in India with programs teaching Indians to train Mother-Tongue Bible translators. Fulfilling stuff!

Kent is finishing up work on computer programs to speed up the publication of language survey reports and creating a Language and Culture Learning Resource for Bible translation teams.

# Deacons

All Deacons met on May 3<sup>rd</sup> for the May meeting, with devotions given by Marsha Zimmerman. Jim Kule led us in prayer and told us to "let our light shine day to day." Our group commented on how great our visiting pastors have been.

We have received correspondence and thank you notes from City Mission, WomenSafe and VBS director for our contributions. Our committee chairs spoke and all is going smoothly. A few suggestions were made which we will follow up on.

We revised our college student list and there may be nine graduating students to add to the list this year. Also, congrats to Kelli Lupas on her scholarship award..

Easter Sunday, our CPC members bought \$75 worth of flowers, thank you! Flowers were also taken to our shut in families.

Our Tote Bag outreach project is going well. Thank you also for your donations to this needy cause. Look in Fellowship Hall for a list of suggested donations.

Comments were made as to how great our Youth Talent show night was. So Much talent here at CPC!

Deacons are sending several monetary donations to needy people and causes this month.

Again, please keep members of our congregation recovering from illnesses in your thoughts and prayers, they are so appreciated! Happy spring to all of you!!

In God's love and service,  
Barb Albrecht, Sec.

Remember a family member or celebrate an anniversary or birthday by donating \$20 for a flower arrangement from a Sunday morning. Then take the arrangement home after church to enjoy. call Lila Latta at 440.953.1946 to select a Sunday or sign your name on the flower chart on the side of the fridge in the kitchen.

## VBS Evening Program

Please join us for an evening of fun and entertainment. It's a wrap-up to a thrilling week, where kids from ALL OVER learn about the love of Jesus Christ and Christ Presbyterian Church! Stories told through scripture and music make the Bible come alive. It all begins in the Sanctuary at 7:00pm, on June 16th. Hope to see you then!

**START>**

As we head into the summer, we know that Fall is not far behind. With that, comes a new school year and opportunities to learn at all age levels. Now is the time to begin focusing on where we are headed. For this reason, please prayerfully consider whether you would like to be a part of the Adult Ministries Committee. We are a committee that is planning to grow and develop into something new and vital for the life and growth of CPC. If you have an interest, regardless of the amount of time you can devote to the Committee's work, please see me after Sunday worship or give me a call at (440)-285-2850. Together, with God's help, we can help make CPC all it has been called to be.

# Snow Birds

As you know, to continue conserving costs at Christ Presbyterian Church, we no longer send the Chimes Newsletter through the US mail.

Each month, your personal paper copy is available for pick-up at the church.

HOWEVER, if you head to warmer climates for the winter months, you can request to have your copy sent to your temporary winter address. Fill out the form below and place it in Karen Perko/CHIMES mailbox, in Fellowship Hall.

Many members have opted for the more timely, full-color version that is sent to a personal e-mail address. If you are interested in this option, please contact Karen at [cpceditor@sbcglobal.net](mailto:cpceditor@sbcglobal.net)

As always, monthly issues of Chimes are published on the CPC web-site. Check [www.christpcusa.org](http://www.christpcusa.org) for them, and the many other events and goings-on at Christ Presbyterian Church.

Dad, you're someone to  
look up to no matter how  
tall I've grown.  
~Author Unknown

The greatest gift I ever had  
Came from God; I call him  
Dad!  
~Author Unknown

Spread the diaper in the position of the diamond with  
you at bat. Then fold second base down to home and set  
the baby on the pitcher's mound. Put first base and third  
together, bring up home plate and pin the three  
together. Of course, in case of rain, you gotta call the  
game and start all over again. ~Jimmy Piersal, on how  
to diaper a baby, 1968

**What makes a Dad**

God took the strength of a mountain,  
The majesty of a tree,  
The warmth of a summer sun,  
The calm of a quiet sea,  
The generous soul of nature,  
The comforting arm of night,  
The wisdom of the ages,  
The power of the eagle's flight,  
The joy of a morning in spring,  
The faith of a mustard seed,  
The patience of eternity,  
The depth of a family need,  
Then God combined these qualities,  
When there was nothing more to add,  
He knew His masterpiece was complete,  
And so, He called it...Dad

# Follow-up since May CHIMES

***From Peter Cawthon:***

***MAY 11, 2011***

Last week I was part of a work crew that built churches in two Zapotec villages. This will be the first evangelical church in either village!!!

Thanks so much for your prayers and financial support! We were able to contribute a large portion of the costs for the church building materials. Next week we plan on traveling to Mexico City on a buying trip. Most of the library's providers of books and DVDs are there. We're always on the lookout for challenging materials. If you have any suggestions, please let us know.
